18 March 1958

Contract Approval No. 8
Contract No. SP-1915

This will serve to confirm verbal approval given for furnishing and installing Chicken Tail-Spreader kits for 12 airplanes and the procurement of special material to be spread at an estimated cost of \$60,000 as proposed in your letter of February 26, 1958.

It is understood that as of 17 March 1958 that procurement and fabrication has been completed for 12 kits and that one prototype is installed and is being tested. In confirmation of verbal instructions given only 6 kits and installation thereof are to be made. It is understood that this cut back will result in an estimated \$2,000 to \$3,000 reduction of the above proposed amount.

The remaining unassembled material, components, tooling etc. should be properly marked and forwarded to
